

SANEBS

PLAYER: Kalen CLASS: Warlock 1 SPECIES: Halfling Skeleton BACKGROUND: Judge PROFICIENCY: +2

WHAT I LOOK LIKE

A short, lazy-looking skeleton with a wide grin and glowing pinprick eyes. Sanebs wears a baggy blue jacket over adventuring clothes, hands always in the pockets. A faded judge's sash hides under the hoodie, and a tiny wooden gavel lives in a pocket. Tiny bones, big attitude — used to decide cases. Still does, sort of.

RESISTANCES & VULNERABILITIES

VULNERABLE — BLUDGEONING

Clubs, hammers, rocks, and falling hurt you extra (double damage). Bones and blunt hits do not mix!

IMMUNE — POISON

Poison damage does nothing. You cannot be poisoned. You also do not get exhausted the way living people do.

Undead note: Spells like *Cure Wounds* and *Spare the Dying* usually do not work on you. Resting still helps — ask the DM.

Back after a
SHORT REST

Pact Magic: you only have **1** slot, but it returns at lunch. Cantrips never use a slot.

CANTRIPS — CAST ANYTIME

ELDRITCH BLAST

Action · 120 feet

A crackling beam of spooky energy. Spell attack **+5**, **ID10** **FORCE** damage. Your best everyday attack!

FIRE BOLT

Action · 120 feet

Hurl a mote of fire. Spell attack **+5**, **ID10 FIRE** damage. Can light an unattended object on fire.

1ST-LEVEL SPELL

DETECT EVIL AND GOOD

Action · Self · up to 10 minutes · uses your 1st-level slot

You sense whether angels, fiends, fey, elementals, or undead are within 30 feet, and where they are. Great for spotting spooky secrets.

SPECIAL ABILITIES

LUCKY. If you roll a **1** on a d20 for an attack, check, or save, reroll it. You must use the new roll.

NIMBLE ESCAPE. Bonus Action: **DISENGAGE** (walk away safely) or **HIDE**. Shortcut out of trouble!

RELENTLESS ENDURANCE (1/long rest). If you drop to 0 HP, you can drop to **1 HP** instead. Surprise — still standing.

THE LAST WORD (*Judge*). In a dispute about a crime or a lie, people often let you speak last — and they listen. You can get a short meeting with a mayor or guard captain.

PACT MAGIC. You only have one big spell slot, but it returns after a short rest. Cantrips never run out.

ON YOUR TURN

- **Move** up to 25 feet (you can slip through bigger creatures' spaces — you're Small).
- **Action:** usually Eldritch Blast or Fire Bolt. Short sword if someone is right next to you.
- **Bonus Action:** Nimble Escape (Disengage or Hide) if you need it.
- Watch out for hammers and clubs — bludgeoning hurts twice as much!
