

DWARF

SPECIES HANDBOOK

Stout, sturdy, and masters of stone and metal!

WHO ARE THE DWARVES?

Dwarves are short, broad, and incredibly tough. They are famous for their magnificent beards (which both men and sometimes women grow with pride!), their skill at the forge, and their deep love for the earth. They live in grand cities carved into the hearts of mountains, filled with glowing gems and echoing with the sound of hammers.

PERSONALITY

Dwarves are brave, hardworking, and very stubborn. When a Dwarf makes up their mind, it's almost impossible to change it! They value loyalty, tradition, and a job well done. They can sometimes be grumpy or suspicious of strangers, but once you earn a Dwarf's friendship, they will be your friend for life.

HISTORY AND LORE

Dwarves believe they were carved from the very stone of the world by their creator god, Moradin. For thousands of years, they have mined the deep earth, fighting off goblins and dragons to protect their underground kingdoms. They keep careful records of their history and honor their ancestors by singing epic songs about their deeds.

GENERAL ALIGNMENT

Dwarves like rules and order. They are usually Lawful Good. They believe in fairness, keeping promises, and working together to build a safe and prosperous community.
