

MY HERO

CHARACTER SHEET

HOW TO USE THIS SHEET

- When the DM says “**roll [skill]**” → find it below, roll **d20 + your number**.
- When you **attack** → roll d20 + **To Hit**. If you beat the monster's AC, roll **Damage**.
- On your turn you get: **Move** + **Action** + maybe a **Bonus Action** (only if a spell or ability says so).
- At **0 HP** you fall unconscious – friends can heal you!

QUICK REMINDERS

- **Advantage** = roll 2d20, use the **higher** number.
- **Disadvantage** = roll 2d20, use the **lower** number.
- **Natural 20** on an attack = automatic hit + extra damage dice!
- **Natural 1** on an attack = automatic miss.
- **Short rest** (1 hour) = catch your breath, spend hit dice to heal.
- **Long rest** (8 hours sleep) = full HP & all spell slots back.
