AASIMAR HANDBOOK

Champions of the light, guided by celestial guardians!

WHO ARE THE AASIMAR?

Aasimar (pronounced AH-sih-mar) are humans with a touch of celestial magic in their blood. They are born to serve as champions of good, and they often have a glowing, otherworldly beauty. Many Aasimar have sparkling eyes, metallic hair, or even a faint halo of light around them when they are feeling strong emotions!

PERSONALITY

Aasimar are usually kind, brave, and determined. From a young age, they receive dreams and visions from an angelic guide who helps them stay on the right path. Because of this, they often feel a strong sense of responsibility to help others and fight evil. However, they can sometimes be a bit too serious or hard on themselves when they make mistakes.

HISTORY AND LORE

Long ago, powerful angels visited the mortal world and blessed certain families. The descendants of these families are the Aasimar. They don't have their own lands or kingdoms; instead, they live among humans, often stepping up as heroes, healers, or leaders when their communities are in danger.

GENERAL ALIGNMENT

Aasimar love doing the right thing. They are almost always Good. They believe in protecting the weak and fighting for justice, making them excellent paladins and clerics.

FEELINGS TOWARDS OTHER RACES

- **Humans:** "They are our family, but sometimes they need guidance to stay out of trouble."
- **Elves:** "We respect their wisdom and their love for beauty and nature."
- **Tieflings:** "We might look like opposites, but we judge people by their actions, not their ancestors."

AASIMAR TRAITS

Your Aasimar character has the following special abilities:

- **Ability Score Increase:** Your Charisma score increases by 2. People naturally trust and look up to you!

SPECIFIC TRAITS

INNATE MAGIC

You have magic in your blood! Even if you aren't a Wizard or a Sorcerer, you naturally learn how to cast a few spells as you level up. You might learn how to create magical darkness to hide in, or how to rebuke enemies with a blast of fire, all without needing a spellbook!

FIENDISH LEGACY

Your magical blood protects you! You can choose to be resistant to Fire, Cold, or Poison damage. This means you take half damage from those attacks. Walking through fire is no big deal for a Tiefling!

If you want to play a character who looks super cool, has natural magical powers, and loves proving that you can't judge a book by its cover, the Tiefling is for you!

PERSONALITY

Tieflings are independent, mysterious, and sometimes a bit guarded. Because they have horns, tails, and sometimes brightly colored skin (like red, blue, or purple!), some people judge them before getting to know them. Because of this, Tieflings learn to take care of themselves. But once you earn a Tiefling's trust, they are fiercely loyal and will protect you forever!

HISTORY & LORE

A long, long time ago, the ancestors of the Tieflings made a deal with powerful fiends. This left a magical mark on their family line forever!
